[Blank box for label]

[Blank box for label]

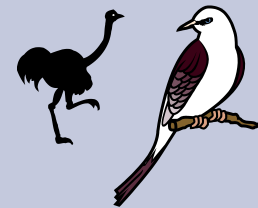

[Blank box for label]

[Blank box for label]

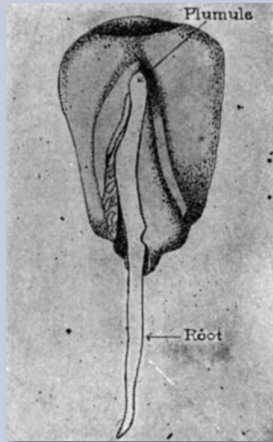

[Blank box for label]

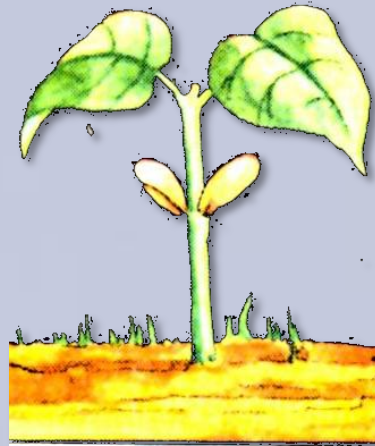

How do animals reproduce?

What are some types of seed plants?

Corn, Oats

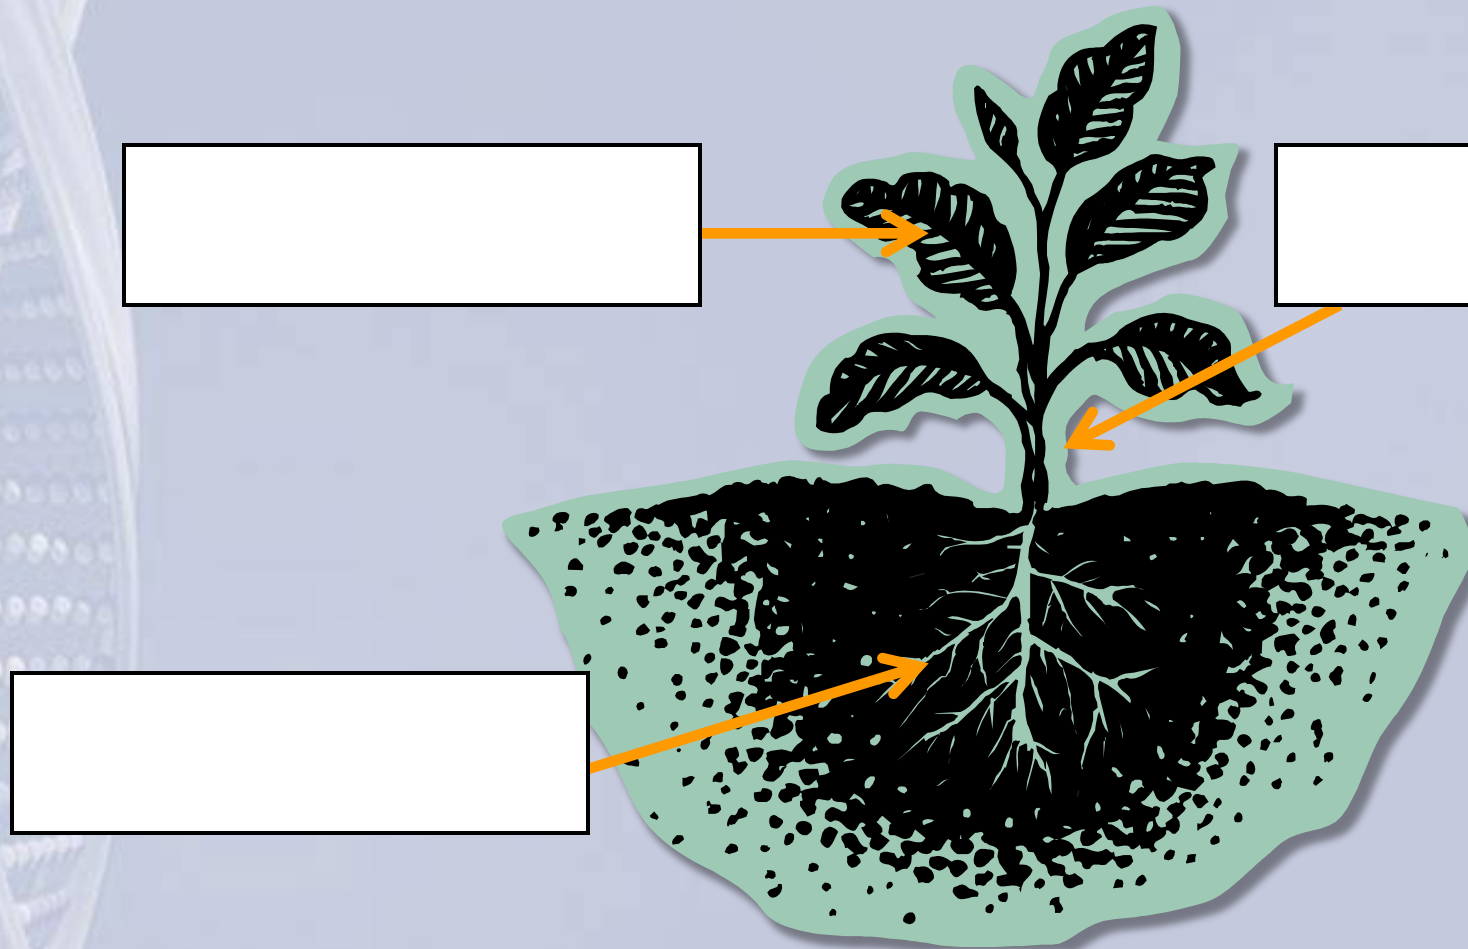

Bean plant

Pine tree

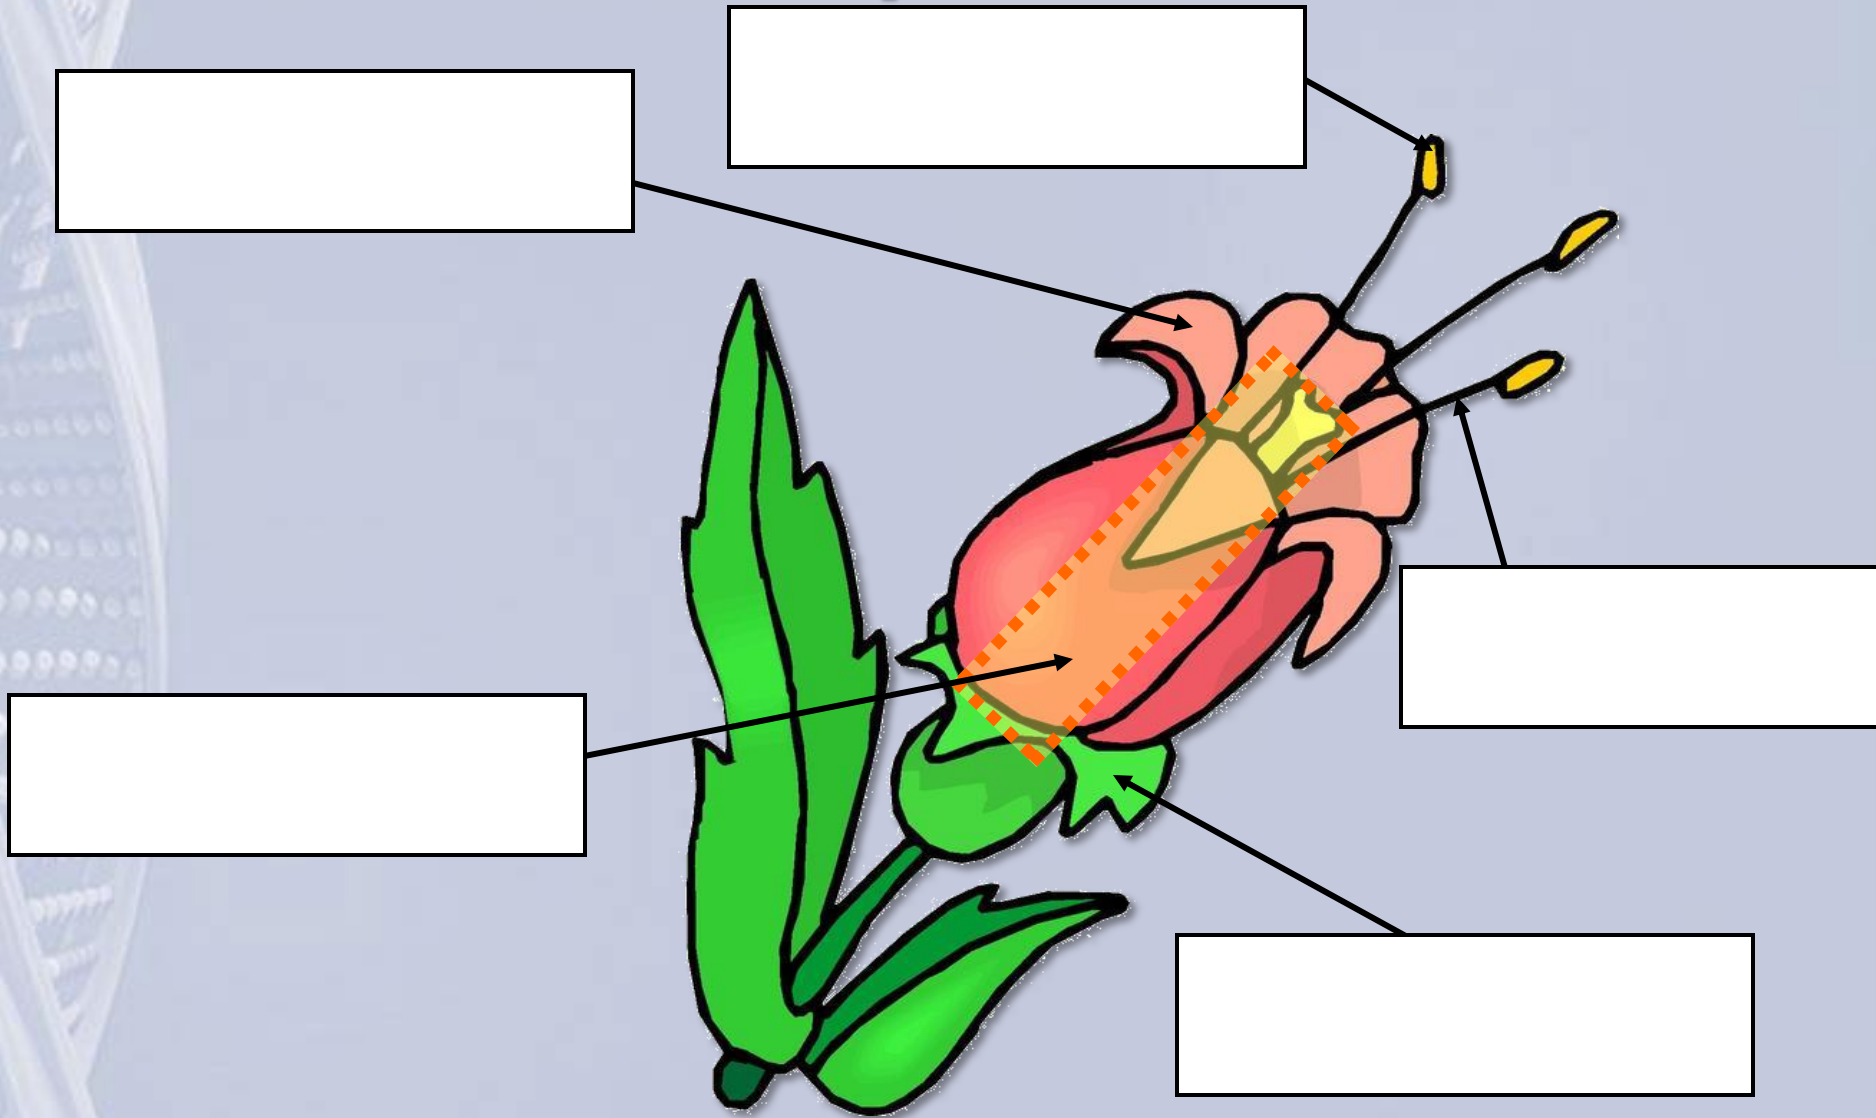

What are some parts of a plant?

What are some kinds of leaves and leaf parts?

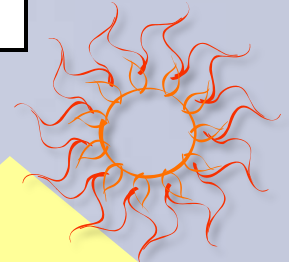

What are some parts of a flower?

What are some plant systems?

**Breaking down
of food created
during
photosynthesis.**

**Using the sun's
energy to produce
oxygen.**

**Process of taking in
water through roots and
passing out water
through the underside
of leaves.**
